PART II - Organizational Information

Area for use by Personnel Office

18 (a). Briefly describe why this position exists. (What is the purpose, goal, or mission of the position)

The Program Administrator (PA) for Rehabilitation Services (RS) is the top management position in the DCF regional structure for RS. The PA is responsible to oversee all RS activities in the region including, but not limited to: staff supervision; expenditure oversight and review; process and review spending and policy exceptions; review and oversee provider performance and billing; address client concerns and inquiries; develop corrective action plans for regional and staff performance; collaborate and cooperate with other DCF programs and initiatives; review and act on performance, financial and provider reports regularly; report to the RS director; and, keep regional DCF leadership apprised of activities in RS.

18 (b). If this is a request to reallocate a position, briefly describe the reorganization, reassignment of work, new functionality added by law or other factors which changed the duties and responsibilities of the position.

19. Who is the supervisor of this position? (Who assigns work, gives directions, answers questions and is directly in charge.)

Name: Michael Donnelly	Title: Director of Rehabilitation Services	Position Number: K0204642
Who evaluates the work of an incumbent in this position.		
Name: Michael Donnelly	Title: Director of Rehabilitation Services	Position Number: K0204642

20. a) How much latitude is allowed employee in completing the work? b) What kinds of instructions, methods and guidelines are given to the employee in this position to help do the work? c) State how and in what detail assignments are made

This is a professional position, supervised by the Director of Rehabilitation Services. Work is done independently with monitoring by the Director.

d) Which statement best describes the result of error in action or decision of this employee.

- () Minimal property damage, minor injury, minor disruption of the work flow.
 - () Moderate loss of time, injury, damage, or adverse impact on health and welfare of others.
 - () Major program failure, major property loss, or serious injury of incapacitation.
 - (X) Loss of life, disruption of operations of a major agency.
-

21. Describe the work of this position using this page or one additional page only. (Use the following format for describing job duties:)

What is the action being done (use an action verb); to **whom** or **what** is the action directed (object of action); **why** is the action being done (describe the result or outcome expected); ***How** is the action expected to be performed (describe the manner, methods, techniques or procedures in which the task is currently performed). For each task state: Who reviews it? How often? What is reviewed for?

Number each task and indicate percent of time and identity of each function as essential or marginal by placing an E or M next to the % of time for each task. Essential functions are the primary job duties for which the position was created and that an employee must be able to perform, with or without reasonable accommodations. A marginal function is a peripheral, incident or minimal part of the position.

No.	%	E O R M

* The description of how the work is to be performed does not preclude the consideration of reasonable accommodation(s) for qualified persons with a disability.

22. List the consequences of not performing the essential functions of this position as identified in Section 21.

Nature of work involves:

- (1.) Meeting the unique service needs of individuals within an DCF region,
- (2.) Develop and allocate resources,
- (3.) Collaborate both internally and externally to develop integrated service strategies to enhance services provided, and
- (4.) Create an atmosphere of innovation and continuous improvement.

If work is improperly or incompletely performed, or supervisory judgment is poor, it could result in significant adverse effects on service provision, internal and external relations, and agency functions.

23. a. If work involves leadership, supervisory, or management responsibilities, check the statement which best describes the position

- () Lead worker assigns, trains, schedules, oversees, or reviews work of others.
 (X) Plans, staffs, evaluates, and directs work of employees of a work unit.
 () Delegates authority to carry out work of a unit to subordinate supervisors or managers.

b. List the class titles and position numbers of all persons who are supervised directly by employee in this position.

Class Title

Position/KIPPS Number

Public Service Executive I
Public Service Executive I
Administrative Specialist
Administrative Assistant
Human Services Consultant

K0162838
K0054105
K0045794
K0042906
K0074889

24. For what purpose, with whom and how frequently are contacts made with the public, other employees or officials?

Nature of work involves frequent contact with the public and regular contact with other agency employees. RS Program Administrators have the responsibility of coordinating the provision of rehabilitation services and collaborating both internally and externally.

25. What hazards, risks or discomforts exist on the job or in the work environment?

Work is performed in a modern office environment. There is infrequent contact with hostile clients. Established office policies and procedures, which dictate appropriate response to such situations, should minimize danger to employee.

26. List machines or equipment which are currently used to complete the tasks or production standards for this position. Indicate the frequency with which they are used.

All standard modern office equipment including computers and associated hardware/software, state vehicles - daily.

PART III - Education, Experience and Physical Requirements Information

27. Minimum Qualifications as stated in the State of Kansas Class Specifications.

Leadership ability at the administrative level and any additional education and experience which meets the agency's requirements for the position.
Leadership Ability at the Administrator Level: Responsibilities may include planning, organizing, and directing the work of a program.

Two years of experience in planning, organizing and directing the work of a department, program or agency. Education may be substituted for experience as determined relevant by the agency.

28. SPECIAL REQUIREMENTS

A. State any additional qualifications for this position that are necessary to perform the essential functions of this position. (License, registration or certification).

B. List any skill codes or selective certification required for this position. Selective certification must first be approved by the State Division of Personnel Services.

C. List preferred education or experience that may be used to screen applicants.

A Master's degree and any combination of the following equal to six (6) years: experience in professional counseling and/or education in counseling, guidance, clinical psychology, or social work. A strong preference may be used for training and experience in the provision of vocational rehabilitation services. Preferred work experience will include demonstrated success in leadership, management and supervision directly related to the delivery of disability and rehabilitation services.

29. Describe the physical characteristics of the job as they relate to essential functions (focus on results, not methods of obtaining results).

Most of the work is performed in a traditional modern office setting. Ability to communicate orally and in writing with subordinate staff, personnel higher in the chain of command, and various others is a critical feature. Travel is required.

30. Describe any methods, techniques or procedures that must be used to insure safety for equipment, employees, clients and others.

Standard procedures to ensure safety and security are followed and accommodation needs are identified and implemented to insure specific safety and security needs are met for staff and clients with disabilities.
